

**For the safety of our players Maple Valley Parks & Recreation permits only “PURE SINGLE WALL” bats for use in the coed softball league.**

**All double wall, triple wall, composite, two-piece, fastpitch, baseball, EST and PST model bats are banned for safety reasons.**

**All pure single wall bats will be permitted for play in 2015. However, should problems continue as they did last season, the following approved bat list will be mandated and all other bats will become illegal regardless of their single wall status.**

## **2015 Approved Bat List**

Anderson Ignite

Brett Bros. Thunder Wood SST500

Demarini Bruiser
